Visit the national website at: www.exploring.org
Exploring is a nationwide program which provides exciting activities and one-on-one mentorship for youth looking to discover their future. Whether you’re a local organization looking to strengthen the community or a young person wanting to uncover the possibilities of your future, Exploring is a great place to start.

Exploring Skilled Careers offers the following benefits:

- Possible networking and mentorship opportunities
- Improved self-confidence
- Leadership experience and social network development
- Fun and Exciting “hands-on” career experiences
- Community service opportunities
- College & Career Readiness preparation
- Scholarship opportunities

Most Career Exploring programs align with the high school calendar and begin in the fall, while some also offer summer activities, conferences, internships and other events. Most meet once or twice a month throughout the school year.
