Tuesday, June 20th
6:30pm
Aeroplex
3333E. Spring Street
Long Beach, CA 90806

LEARN MORE AT
EXPLORING.ORG
Exploring is a nationwide program which provides exciting activities and one-on-one mentorship for youth looking to discover their future. Whether you’re a local organization looking to strengthen the community or a young person wanting to uncover the possibilities of your future, Exploring is a great place to start.

Aviation Career Exploring offers the following benefits:

- Possible networking and mentorship opportunities
- Improved self-confidence
- Leadership experience and social network development
- Fun and Exciting “hands-on” career experiences
- Community service opportunities
- College & Career Readiness preparation
- Scholarship opportunities (National Aviation Explorer Scholarships Guide and Application)

Most Career Exploring programs align with the high school calendar and begin in the fall, while some also offer summer activities, conferences, internships and other events. Most meet once or twice a month throughout the school year.

There are dozens of career fields and over 100 occupations to choose from. The following are examples of some of the most popular Career Exploring fields:
