VOLUNTEER HOSPICE

TEEN MEDICAL EXPLORER PROGRAM
AT LAKWOOD REGIONAL MEDICAL CENTER

VOLUNTEER DUTIES INCLUDE:

• Run samples from Emergency Room to the Lab
• Interact with and assist a diverse medical staff in the Emergency Department
• Be reliable and efficient
• Provide compassionate assistance and companionship to patients and their families
• Keep patient rooms stocked with medical supplies and prepared for patients
• Escort patients out of the Hospital
• Deliver staff-approved meals to patients

We are looking for teens age 16 and older to become hospital volunteers!

If you are interested, visit our website at www.pathwayshospice.org and click on “Volunteer” at the top of our website. Type in “Teen Medical Explorer” as the position you are interested in. The program will begin in June!
