What is "Camera Ready Art"?
When you give us camera ready art, it means that we print your ad exactly as you have submitted it. Your ad will be scanned, then printed by our professional printer. If you are using a photo, you will see crisper, cleaner results if you use a photographic print in your paste-up. Call us if you have any other questions about submitting an ad for publication. The highest quality you can get is to submit to our staff a digital version of your ad, in one of the following forms: PDF, JPEG, TIFF.
